RE: Request for Approval of Agreement between the Town/Village of  
Harrison and Fundamental Business Solutions, Inc.

---

Attached please find a proposed final agreement that has been negotiated with *Fundamental Business Solutions, Inc.* for parking enforcement and case management of the Town's parking system.

Please consider this a formal request to review and pass a resolution authorizing the Supervisor/Mayor to execute the agreement. The Court has reviewed the contract and strongly believes that the attached agreement not only meets our needs but will also greatly increase efficiency and reliability in all aspects of parking ticket management.

Please note that the Town's contract with Complus Data, our current parking ticket management vendor, expires on May 31<sup>st</sup>, 2015.
